

**Middle Cities Education Association Presents:**

# **TEACHER TECHNOLOGY INITIATIVE UPDATE**

## ***Task Force Lead-In Program and Task Force Meetings***

***Wednesday, December 13, 2000***

***8:30 a.m. – Lunch***

***University Club, Lansing  
(Ballroom)***

### Lead-In Program – 9:00 – 10:00 a.m.

The current School Aid Act appropriates \$110 million for the purchase of computers and other technology initiatives. The primary responsibility for developing the system to implement the Teacher Technology Initiative (TTI) is the Michigan Virtual University (MVU). The person at the MVU who has been given the responsibility for the TTI is Jamey Fitzpatrick, Vice President of Development and Education Policy.

Jamey will provide an update on what has already been developed as well as the timelines for completion of the TTI system (which is projected for the very near future). He will also be available for answer questions from participants of the Lead-In session.

### Agenda:

8:30 Refreshments  
9:00 Lead-In Program  
10:00 Break  
10:15 Task Force Mtgs  
Noon Lunch
